

## Innocent Man

## Rag'n'Bone Man

I've been a victim of some sorry circumstance  
That was committed by somebody else's hand  
And only heaven knows how I've ended up so broke  
I ain't guilty but I'm left fearing the stand

It's not my crime, why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing, my heart don't understand  
It's beating for an innocent man

How was I supposed to know that I'd be fooled  
And the sweetest kiss could ever be so cruel  
I could always let it go, but it's out of my control  
Now I'm right back here still holding on to you

It's not my crime, why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing, my heart don't understand  
It's beating for an innocent man

Man, man  
Man, man

From Wanting to needing, you cut me I'm bleeding  
This heart keeps on beating for you

It's not my crime, why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing, my heart don't understand

It's not my crime, why do I have to pay?  
I'm doing time, this feeling I can't shake  
I'm lost in the suffering for nothing, my heart don't understand  
It's beating for an innocent man
