

Aim It

Rah Swish

Nine shots in the Ruger
I step on the court, they like, "Watch the shooter"
Look

I leave these standing hoes waitin'
I need a standing ovation
I ain't saying that he tellin'
But how they give him probation?
I gotta change location
I make these hoes flirtatious
I got a new pole, aim it
Up it, up it
I leave these standing hoes waitin'
I need a standing ovation
I ain't saying that he tellin' (What?)
But how they give him probation?
I gotta change location
I make these hoes flirtatious
I got a new pole, aim it
Up it, bang it
