Yo - it's just one of those days where
Please don't hit my line
Unless it's momma dukes or lil' sis I'ma press decline
I put so many diamonds in the bust down
I can't even tell the time
Been fightin' demons so long on the low
I think I'll be in hell just fine
I think I'll be in hell just fine
Flashbacks to when all of my Zelles declined
She fell in love with my energy
Ankh on the chain, I'm well aligned
At dinner with my whole team, how could you call me a selfish guy?
When I always split the check three ways
Just between me, myself, and I
And when they ask me, G, how you doin'?
I can't help but lie
I say everything fine, what they gon' do if I tell them otherwise?
I keep it pushin', it come with the game
My ex is an anesthesiologist
It makes sense while I'm numb to the pain
Bitch I'm the one like fuck what you sayin'?
Bitch I'm the one like...

Look, bitch I'm the one like Tracy McGrady
Prayed on my downfall that's kinda crazy
They put a star on my name like Macy's
You better not front like
Cause we makin' movies and that shit in HD
I'm like a bad trip how you gon' shake me?
I'm one of one how you gon' replace me?
In the Foreign, I'm a floor it, better not chase me
When I'm touring, I'm like Dora, out the backpack, ain't no safety
Con los tigers, it's in my DNA
Hop on the PJ, don't fuck with TSA
I got my mask off, shoot em six feet away
Don't answer blocked calls, don't care what eaters say
Yo - it's just one of those days like
Please don't hit my line
Unless it's momma love or bae I press decline
Diamonds in the Rollie face can't tell the time
Been fightin' all these demons think I'll be in hell just fine
