

Mirame

Rah Swish

In LA, I hit Aper when I'm 'bout to land
In the V with the windows tinted
They can't see me like I'm shadow banned
Used to visualize caviar
When I was eating tuna fish out the can
All part of the plan
Now we pulling up in that Lamb

Said, 'Soy un tguere'
Heard you switching sides? Okay, then cuidate
Heard you looking for a rich nigga? Mrame
Heard you looking for a real nigga? Mrame
Beb, mira, bebecita, I said

Looking for a gangsta? Ugh, ugh, ugh, baby, mrame
Know they praying on my downfall; that won't be today
Why the fuck you watching what I eat like you ain't get a plate?
I call you twin 'cause we came from the mud, nigga, we the same
Get rewarded only if he loyal; I'll be teaching game
Every time I break a hundred, I let Lil Bro keep the change
Still watched 'em when they stand close
I keep it on me, that's mando
In LA like, 'What's the vibe?'
I'm with straight gangstas, no randos

Remember back then, I was dead broke
Got a bandos, got my pants low
I'm a real nigga, give a good dick
She can't handle, she get canceled
Remember back then, I was dead broke
Got a bandos, got my pants low
I'm a real nigga, give a good dick
She can't handle, she get canceled

Said, 'Soy un tguere'
Heard you switching sides? Okay, then cuidate
Heard you looking for a rich nigga? Mrame
Heard you looking for a real nigga? Mrame
Beb, mira, bebecita

Pass that Clase or D'uss
I don't really care as long as my cup full
I've been hardheaded, stuck in my ways
It is what it is; I do what I do
Dime
Niggas feel so entitled
Claim Alive Off Pressure and be dead broke
I clothed y'all, I drove y'all
I gave y'all keys and I fed, bro
Niggas still be in debt, yo
But I let it slide, I don't forget though
Still love y'all from a distance
Que te vaya bien, all the best, bro
Ese tipo ta heavy
When I play it, that's how they respond
I'm petty, baby; I cut her off
If she got more bodies than King Von

Said, 'Soy un tguere'
Heard you switching sides? Okay, then cuidate
Heard you looking for a rich nigga? Mrame
Heard you looking for a real nigga? Mrame
Beb, mira, bebecita

Said, 'Soy un tguere'
I hear the money calling, told bro trame
I'm in Houston with a redbone, como Beyonc
Heard you looking for a real nigga? Mrame
Beb, mira, bebecita
Ahh!
