

Party Done

Rah Swish

These niggas done got me started up
I see the opps on the flyer, then the party done
Like, I don't even know what we gon' call this nina right here
We gon' call this nina, "Party Done"

Stupid bitch, party done, ha
Look what they did
I'm still that nigga, no I never lost it, was running the streets, they was stuck in the crib
Niggas was waving they hands in they videos like they had guns, it was guns on my hip
I was fucking on opp bitches, found out where some niggas live
My money stackin' like pallets, I keep the henny when I make a move
The liquor be keepin' me balanced, NBA we been established
She want me dance, woow walk
I'm with the head, do more
Put her in the air, I hit from the back, my legs be hurtin', I'm too tall
Bitch, I'm an idiot, I go retarded, if I'm feelin' threatened I spazz out
I'ma need me some 10's, don't fuck with no 30's, 'cause if I take two I'ma pass out
You can call me Chris Jericho, I got her legs up, and I won't stop 'til she tap out
I'm the man you should link with, always in touch, it's gon' dump if T-Mobile still cash out
I call Stretxh, he gon' stretch 'em
I call Rextx, he gon' wet 'em
I call Wiz, tuck your necklace
I call DennWoo, he drunk, so he don't answer
Got the crib out in Bali, the top A's
Niggas done talkin' money, they not paid
What the fuck goin' on, how they swish shit, if my nigga got gray?
Fell in love with these ho's, you got played
Niggas wifin' a treesh, you got AIDS
If you see me with 'em and they got stained
And most of the opps, they got grades
Walk up, send shots out the BNB
Switch clothes, then we changing the scenery
Give a fuck 'bout an age, we snatching a chain, that shit remind me of PNV
Lil' bitch say she dying to be with me
She told me, "Rah, put a seed in me"
She think if she cook, clean, and suck a lil' dick that she gon' be keepin' me
We got the city hot, woo back, I came here to sauce it up

If I pick her up, she don't give me top, I tell her get off the
bus
Got some lame niggas playing both sides, they don't really want
war with us
Baby we came here to party, if they throw a party, the party do
ne
