

This N' That

Rah Swish

What the fucc is they telling me I made a better me I had to boss up

On my hip that's a felony it ain't no checking me streets a get torched up

Make her scream that's a melody she keep on begging me to pick her calls up

They couldn't put fear in me ain't no comparing me these niggas they washed up

They telling me
This and that
I hit it once
She missing that
They better focus on
Getting back
Watch what you say cause
Niggas rat

Got off my ass to
Flip a pack
10k In ya stash
Can't live with that
Get on the floor I'm sticking that
Show me the door I'm kicking that

Now I'm getting large bucks
Niggas be star struck
Soon as I walk in the spot n all

And I would pull they cards
But That's for the broads
I'm sleeping on Niggas like Tylenol

They get wet from the car
Talking bout a Minaj
Said her friend coming too if we find em all

Get it back Rah they saying you falling off
Ain't you nba u know u gotta ball!

Told Ain't no more practicing I call the shots I put Niggas to work like a supervisor

My bitch is a baddie and she never stress me so I'm going down like a scuba diver

Don't need no Black Chyna her mouth like a tire she do it like she got a super power

Stay outta them taxis we aim for the backseat I told em do not his the uber driver

Boy you know what you better do
I'm way ahead of you
Don't got no time on my scheduled

Keep on talking them guns out the window put dots on his head shit look like

a decimal

No time to get caught Ain't leaving no evidence even got rid of the residue

The difference w me and these Niggas they talk about plays I really go execute

What the fucc is they telling me I made a better me I had to boss up

On my hip that's a felony it ain't no checking me streets a get torched up

Make her scream that's a melody she keep on begging me to pick her calls up

Said she wanna Fuck with a boss her ex was a lame that n**** got no sauce

He talk like a killer but he cannot go to his crib without dropping the pole off

If you come to the crib I do not do the outside material please take ya clothes off

And I asked her how nasty she get and told me to think of a thunder or snow storm

I had to wait a minute
Told her this shit might take a minute
Yea I know who really did it
But I'll never say they did it

Switch up the pillow cases
Cus she left her makeup in it
Just bought a new Glock
And put 28 up in it

If we talking money facts yea we still running that nba Niggas we did it first

Better show where ya money I do not call her back why u keep feening to get a purse

I will still get a dummy clap leave em in mummy wrap body won't make it to see the church

Pray for better days trust me I seen it work

Wanna speak raise ya hand to the teacher first

What the fucc is they telling me I made a better me I had to boss up
