

# WEIRDOS

Rah Swish

I ain't these new niggas the must've got me mistaken  
Pass the belt he get the switch like he been misbehaving  
Oh he raking  
Clip to his head like he shaving  
We took they ooter it look like they still ain't go find his replacement  
I'm normally doley but tonight I'm outside with the lil bros  
If speedy the driver  
L30 gon hang out the window  
I know a opp that wanna be friends that nigga a weirdo  
Soon as he touchdown throw but this shit got kick like a field goal

They know we spot em and walk down on em cus we like to get close  
They like to talk on the shit that they heard till these bullets get sent pass his earlobe  
I ain't giving no nigga credit that threw out the window and he had his eyes closed  
I took lil bro on a drill threw the pussiest niggas we beef with lets spin threw the 50's  
We giving shots like a vaccine  
I keep 2 shooters wit me that's a tag team  
You better ask ya big bro bout that last scene  
He don't want smoke why he named after bad weed  
Why would you mention the guys and you not it  
Binflockin what? since when did you flock shit  
I ain't got to much to say bout this kid cus its hard tryna diss a nigga who don't got shit  
On another topic  
Lets talk about niggas loafin while they shopping  
I know we all tough when we got a g but why yall niggas run when it come down to boxing  
You better watch what you do wit that rock in ya hand hope you know all the gorillas watching  
I got some opps that ain't worth a petey you see them lil nigga just go in they pockets  
Why nigga saying I used to be choo?  
Da product sniff product straight threw his nose  
I don't discriminate he could be young or be old if he talk he get beat wit this pole  
Supa and twin ain't here  
Da dealer survived he got shot  
Blickum got poked  
Only good rapper they had was coka he ain't been the same since he got exposed  
They make it look good for the net them niggas professional dick suckers  
Why you commenting swish k like you did something  
Don't get did like ya big brother (lu blixk)  
And I just got the word 22 got faded by kids that ain't even his company  
Got a list of some names if you get the addy then you could jack that you wo o under me  
Stories I used to hear bout older nigga used to think it was true now the sh it funny  
Niggas ain't ape'n correct  
You must pay for respect  
Never thought bugz would take that on the bunny (woww)  
I ain't know they still make clothes that's ya way out why he saying that he plan  
Idc if he dead or not how you unfollowing nigga and saying that he ya mans (

that's weird)  
Shoutout the bros that's makk em down  
Somebody tell kush go pick his makk up  
We up on the score cus we the subtractors  
Whole lot of dead friends they never jack them  
Who tf gassed them and said that they soldiers  
I get a addy and I'm coming over  
I never see em but I seen his bm how you talking bready ya kid need a stroll  
er  
This what I get for being nice I never do it twice I gave the pass now its o  
ver  
How this lil nigga telling bitches he gon kill me when he barely made it out  
that coma (omg)
