

# Wooo Walk

Rah Swish

Brrrrrrr

Ah ah ah ah

Nine shots in the Ruge, I step onna court they like watch the shooter

Like, what?

Are you niggas dumb? Like, all my niggas lit, like, Fetty, Costamodo, Rah Swish

You know what the fuck is goin on, bitch!

GS9, we too 9 the motherfuckin chill button, bitch!

Woahhh!

Gllllt, Bow

They trynna copy the wave, watch how a young nigga woo walk

They trynna jack what I say, watch how a young nigga woo walk

Pull up on him with a K, watch how a young nigga woo walk

Pull up to a nigga place, letting off shots while I woo walk

Lemme teach you how to woo walk

Two cars, two doors

Slide on em, who caught?

New ice, Tom Ford

This little bitch she a groupie, she wanna go to the movies

Late night she wanna do me, me and Fetty in a two seat, watch a nigga make a movie

Get this little bitch silly, woo walk make me litty, do my dance inna city,

stripper bitches show me titty, good, fuck all the Blixkies

I can teach em how to woo, in the party got my tool, run up and be a fool, a ye, lemme teach em how to woo

Look, left foot to the left, right foot to the right, spin around do it twice, woo walkin all night, but I still got a pipe

They trynna copy the wave, watch how a young nigga woo walk

They trynna jack what I say, watch how a young nigga woo walk

Pull up on him with a K, watch how a young nigga woo walk

Pull up to a nigga place, letting off shots while I woo walk

Woo walkin at the touchdown, all these bitches wanna fuck now

New ice, bustdown, Fetty, I'm up now

Steppin in the spot I'm wooing, gang niggas I'm recruiting

If you ain't gang, what you doing?

Get Straight be the movement

Y'all sleepin, two percs, I'm so geekin

Moonwalkin with the demons, late night I be creepin

10k, Neimans, Send me that money I need it

I'm on ya block I bleed it

Just pass me the Glock I squeeze it

Left foot to the left, right foot to the right, spin around, do it twice, woo walkin all night, but I still got a pipe

They trynna copy the wave, watch how a young nigga woo walk

They trynna jack what I say, watch how a young nigga woo walk

Pull up on him with a K, watch how a young nigga woo walk

Pull up to a nigga place, letting off shots while I woo walk

Nine shots, woo with me

I'm known for having ya boo with me

She said that she want a percy, stick out your tongue cause I got a few with me

Right foot, move with me, bad bitches, too pretty  
I'm hearing what they wanna do to me, pull up with Ricks he gone shoot with me  
Walk in the spot got my mans with me, young dog, the woo, he can't stand with me  
Get ya gun you don't wanna throw hands with me, got a chop, babygirl you can't dance with me  
(Hollup babygirl listen)  
Woo walk, when we fuckin ain't takin my shoes off  
Skrt skrt, new Porsche  
Pop me a pill and I cool off  
She had me fuckin for too long, put dick in her nina then move on  
Screw up her face cause it's too strong, get shot if that nigga move wrong

They trynna copy the wave, watch how a young nigga woo walk  
They trynna jack what I say, watch how a young nigga woo walk  
Pull up on him with a K, watch how a young nigga woo walk  
Pull up to a nigga place, letting off shots while I woo walk

Lemme show you how to woo walk, shut up, listen, let a woo talk  
They callin my phone  
(Brrt Brrt)  
Nigga let me and ya boo talk  
She told me that she think you too soft  
So she threw me the neck (So she threw me the neck)  
She wanna dance in my videos, right foot, then the left  
Get big cause she know that I keep it, I thought when we fuck it was a secret  
She rather come fuck with the demons, tongue on the dick she ask for the semen  
I hit it once then I'm leavin, she saw Fetty start feening, he hit it past to Rah Swish, then woo walked out the crib  
It's double Gs on my kicks, double Gs when I stack (Double Gs when I stack)  
[?], Fendi on double left  
I tried to teach her how to dance, girl start it with the left  
Okay now girl switch it to the right, I got time I can do this all night

Woahhh, aye  
Glilll, bow
