You be the spoon, I be the stir you crazy  
Be the power of the P for the pleasure

When I'm in, you scream  
You melt yeah, you be

From your lips, to your ears  
Don't stop no, just give it here  
You're like black ice cream

(All the 32 flavors)  
Put it on the bed and pinky swear  
I be the hands to pull your hair  
I be the motion in your ocean, baby  
The helium to send you floating, lady  
Cause you're my harem all in one  
My right receiver when I call  
I keep my grip, I don't let you fall  
Make you climb, them mother f'in walls

When I'm in, you scream  
You melt yeah, you be  
Like black ice cream

From your lips, to your ears  
Don't stop no, just give it here  
You're like black ice cream  
Like black ice cream

See the thing right here  
Taste of sweet liquorice right upon my lips  
Baby when I'm kissing you it's like the sweetest gift  
Set it all upon my face and scoop you with that lift  
You've got that pretty brown round brown  
Make me wanna go around  
So stay right here  
Love it when you cream  
Love the way you scream  
Get all up in my ear baby and tell me I'm your king  
We play that Jodeci, that Sade, that Marvin  
I be on your ice cream like Baskin and Robbins  
Like oh oh oh oh oh oh  
Do you feel me throbbing yet  
I love it when you're soaking wet  
My, my black ice cream

When I'm in, you scream  
You melt yeah, you be  
Like black ice cream  
Like black ice cream  
From your lips, to your ears  
Don't stop no, just give it here  
You're like black ice cream  
Like black ice cream

Not like mango, not like peach  
Not like strawberries  
(Black ice cream, like black ice cream)  
Black ice cream  
(When I can't find the words to say)  
Sometimes I can't find the words to say  
When I'm inside of you and you fuck me back  
And I'm in your eye  
(When I can't find the words to say)  
It just comes out like, like  
(When I can't find the words to say, I say, I say)  
(When I can't find the words to say, I say, I say)  
With conviction I say  
(When I can't find the words to say)  
You know what else? Listen  
And I can go on and on and on, and all I know is what love is

Your love is so good baby  
Hot on the outside with love on the inside  
(All I know, all I know is your kiss is)  
So good, makes me soak  
(Coming down baby, dripping)  
Wet on the inside with love on the inside  
And all I know your love is so deep

Your love is so good baby  
Hot on the outside with love on the inside  
(All I know, all I know is your kiss is)  
So good, makes me soak  
(Coming down baby, dripping)  
Wet on the inside with love on the inside  
And all I know your love is so deep
