

Can We?

Raheem DeV Vaughn

I'm sure you wouldn't be surprised if I told you all the times
I been wasting waiting on somebody that I thought would finally hit it right
It's trial and error, now or never, I swore the last one was my last
Out of nowhere you just showed up and made me take my words back

All this time I (Ooh-ooh)
Been waiting for you, baby (I been waiting for you, baby)
When it feels right
We (We don't) don't have to (Have to) say (Say it) it

Let's fall in love already (Love, love, love)
Ain't you in love already? (Love, love, love)
Can we make love already? (Love, love, love), yeah
Let's fall in love already (Love, love, love)
If that's what you want, I'm ready (Ooh-ooh)

I'm starting to believe what you saying to me
Like, "I got you, baby," that's foreign to me
'Cause I done got so used to the ones that just hit and run
You do it for me, that's why I do it for you
You got me, you got me looking at all of the proof
Honestly, honestly already knew you were mine, yeah

All this (All this time, baby) time I
Been waiting (I been waiting on) for you, baby (Just like you, just like you
, baby)
When it feels this right (Feels so right)
We don't even have to say it

Oh, let's fall in love already (Love, love, love)
Ain't you in love with me, baby?
Ain't you in love already? (Love, love, love)
(Ain't you in love already, baby?)
Baby, can we make love already? (Love, love, love)
Mm, it feels so right, oh-oh-oh-oh
Let's fall in love already (Let's fall in)
If that's what you want, I'm ready (I want it)
Let's fall in love already (Love, love, love, love, love)
Ain't you in love already?
Ain't you in love with me like I'm in love with you, baby-bay
Can we make love already?
Mm, it feels so right in your
Let's fall in love already (Let's fall in love already)
If that's what you want, I'm ready

Let's fall in love
Let's fall in love
Let's fall in love
Let's fall in love
Let's fall in love
Let's fall in love
