

Catching Feelings

Raheem DeV Vaughn

Ladies (Yeah)

(K Classic)

We're gonna need your attention tonight

From lust 'til dawn

Jerel, talk to 'em

It's a feeling of something warm

And it's a timing (Timing)

Of a night so long

So pull up on me and come to wonderland

(For that whip appeal)

For that whip appeal like a man, but still, I'll be your Superman

(Just like)

Like my body all over, all over your body

And your body all over, all over my body

It won't feel like sex (Sex) when we're makin' love (Love)

Tonight I need you fiendin', tonight I'll be your drug

Catchin' feelings through your body all night (Catchin')

Catchin' feelings through your body all night (Just let me give attention to your body)

(I got) I got

(What you want) What you want

(What you need) That feelin', baby

I got what you need (That feelin', baby)

(I got) I got

(What you want) What you want

(What you need) That feelin', baby

That feelin', baby

Sentimental, ooh it's somethin' tender, baby

(Yeah, it's somethin' tender. baby)

'Cause you're somethin' special, yeah

So deserving, baby

(You are worthy of good lovin')

Like my body all over, all over your body

And your body all over, all over my body

And it won't feel like sex (Sex) when we're makin' love (Love)

Tonight I need you fiendin', tonight I'll be your drug

Tonight I'll be (In your body all night)

I'll be, ooh (Tonight I'll be)

Tonight I'll be (I'll be, I'll be)

(In your body all night)

I'll be (Catchin' vibes)

Catchin' feelings through your body all night (Ooh, through your body all night, catchin')

Catchin' feelings through your body all night (Through your body, 'cause I—)

(I got) I got

(What you want) What you want

(What you need) That feelin', baby

That feelin', baby

(I got) I got

(What you want) What you want

(What you need) That feelin', baby

That feelin', baby

Yeah

I just need your attention

To have you catchin'—

Catchin' feelings through your body all night

Catchin' feelings through your body all night (Yeah)

(I got) I got

(What you want) What you want

(What you need) That feelin', baby

That feelin', baby

(I got) I got

(What you want) What you want

(What you need) That feelin', baby
