

Chocolate Love

Raheem DeV Vaughn

I want you babe, I need you babe
I've got to have your love, yeah
I'm craving, I savor it
I swear you're like a drug

You give me something to look forward to
[?] in the days when I think of you
[?] that we used to do
Wanna give what I got to only you

Everything about you's so sweet to me
Been longing for your sugar, I need a piece
Of your chocolate love
Under your spell, I took the bait
Been longing for your honey, I need a taste
Of your chocolate love

[?] you baby
[?] babe
The shape of the [?]
The [?] your smile
Your love's a potion
Sweet liquid elixir, ooh
Like heaven [?] mahogany, natural style
[?] when you open wide, baby
Ooh, you're such a lover
Replenish my heart all for you

So let
Let that chocolate out the wrapper
Take me into your Milky Way
From your shoulders to your lips
To your hips, I love your chocolate, baby

Everything about you's so sweet to me
Been longing for your sugar, I need a piece
Of your chocolate love
(Then I'm under your spell)
Under your spell, I took the bait
Been longing for your honey, I need a taste
Of your chocolate love
