

## Creatures

Raheem DeV Vaughn

We are all the creatures of the night  
Come crawl into the best time of your life  
They ain't got a bed time for our kind  
Never gettin' old, we gon' do this shit forever  
Come and take a bite, let me let you live forever

I'm a monster, didn't you know, baby? (Baby, baby)  
Been movin' just a little too slow for me (Slow for me)  
Come take this ride, we can do the things that you like  
You know that I like it in the dark, babe (Baby, baby)  
Clothes off, baby, fangs out, baby  
And if you're with me, throw your fuckin' hands up, baby (Baby, baby)

Never gonna die, we gon' do this shit forever  
Come and take a bite, let me let you live forever

Do you ever sleep  
Sleep your day away?  
You find yourself outta sync  
Up 'til day breaks, oh  
You and I try livin' like a vampire  
A werewolf howlin' at the moonlight  
And we howl, and we howl, and we howl  
And we howl, and we howl, and we howl

We be underground, we be up high  
Find us in the dungeons or the sky  
Come and get a taste of what it's like  
Don't be afraid of the dark, come fulfill your desires  
Let me steal your heart and leave m-mine

Oh, yeah, we [?], trendsetters  
All about them four letters  
L-O-V-E, can't you see that this where you should be, babe  
Come play with us tonight, gon' have the time of your life  
I know that you like it on the side, babe (Baby, baby)  
Go hard, baby (Baby, baby), [?] stars, baby (Baby, baby)  
And if you're with me, stand up on the bar, baby (Baby, baby)

Never gonna die, we gon' do this shit forever  
Come and take a bite, let me let you live forever

Tell me, do you ever sleep  
Sleep your day away?  
You find yourself outta sync (Oh, outta sync)  
Up 'til day breaks, oh  
You and I try livin' like a vampire  
A werewolf howlin' at the moonlight (Oh, a werewolf howlin')  
And we howl, and we howl, and we howl  
And we howl, and we howl, and we howl  
Tell me, do you ever sleep  
Sleep your day away? (Ooh, oh)  
You find yourself outta sync (Are you outta sync?)  
Up 'til day breaks, oh  
You and I try livin' like a vampire (I'm gonna try livin' like a)  
A werewolf howlin' at the moonlight (Oh, howlin')  
And we howl, and we howl, and we howl

And we howl, and we howl, and we howl (Ooh, ah)

We are all the creatures of the night

Come crawl into the best time of your life (Oh, best time)

They ain't got a bed time for our kind (Uh-uh, nuh-uh)

Never gettin' old, we gon' do this shit forever

Come and take a bite, let me let you live forever
