

Deja Vu

Raheem DeV Vaughn

Look, we already had this moment, (Deja Vu)
Just to be clear
(De-) It's Deja Vu (Deja Vu)
Beautiful

Before, I knew, your name
Those pretty brown eyes had a song (Deja Vu)
Her sweet, sweet lullaby
Guess I recognize her melody, soon as you spoke your name (Deja Vu)

I, heard the words make me surrender
So stop being so tender, please (Deja Vu)
Speak into my soul
Stopping me in my tracks
And when I laid eyes on you I saw, (saw) Deja Vu Lover

Deja Vu, Lover
Deja Vu, Lover (Deja Vu)
(I had) Deja Vu
Deja Vu Lover (Lover)
Deja Vu, Lover (Deja Vu)
Deja Vu, Lover (Deja Vu)
I had Deja Vu

(Take it easy) Take it easy
Taking me out of distress
Make me right into your special (take me into your spell)
Something I felt before
Something I know so well
I feel it everytime I do
(Consistent) when I look at you
(When you pull up) when you come through
It feels like Deja Vu

Before, I taste, your sweet kiss
My pallette, knew your milk and honey
Sending me, to heaven on Earth
Heaven on Earth
Heaven on Earth
Heaven on Earth

(Deja Vu)
Before I cry, still got frequent tone of your skin
I saw you in a dream so (vividly)
Telling me in no time, that one day you'll be mine
So my familiar of us, u are welcome to stay
When I laid eyes on you I saw, I saw (Deja Vu Lover)

Deja Vu, Lover
Deja Vu, Lover (Deja Vu)
(I had) Deja Vu
Deja Vu Lover (Lover)
Deja Vu, Lover (Deja Vu)
Deja Vu, Lover (Deja Vu)
I had Deja Vu

(Take it easy) Take it easy

Taking me out of distress
Make me right into your special (take me into your spell)
Something I felt before
Something I know so well
I feel it everytime I do
(Consistent) when I look at you
(When you pull up) when you come through
It feels like Deja Vu
