

Don't Come Easy

Raheem DeVaughn

Oh, love
It's that feelin' that won't go away
And if I touch your soul
When I make my mark, I'm here to stay

I love you girl, yeah
I need you girl, yeah
You're my every day to day
Every single way
I sleep by the phone
Waitin' for your call
I'm prepared to give my all to y

Love (Love)
Don't come easy
(No no, no no, no no)
Gotta put in work for play
(Oh baby, oh baby)
Gotta make sure you're ready for pain
(Oh baby)
Love don't come easy
Gotta sacrifice every day
Gotta make sure you're willin' to change

Oh love, love, love, love, love, love
Love, love, love
(Love, love, love, love, love, love, love)
(Love, love, love, love, love)
Oh love, love, love, love, love, love
Love, love, love, love, love

Baby if I was to stay here all night
Promise me, we can build a family
Yeah baby
All my life I dreamed of that one special person
Baby are you worth it?
You're the closest thing to perfect
I sleep by the phone
Waiting for your call
I'm prepared to give you all

Love (Oh no baby)
Don't come easy
(Love don't come that easy)
Gotta put in work for play
(Ooh yeah)
Gotta make sure you're ready for pain
Love don't come easy
(Love, I cry for you baby)
Gotta sacrifice every day
Gotta make you're willin' to change
(Love, love, love, love)

Oh love, love, love, love, love, love
Love, love, love
(Love, love, love, love, love, love, love)
(Love, love, love, love, love)

Oh love, love, love, love, love, love
Love, love, love, love, love

Oh la-la-la-la
La-la-la, la-la-la
Don't come easy
Oh la-la-la, la-la-la
