

Everything A Go

Raheem DeVaughn

Price tags ain't a thing
Moneybags ain't a thing
I'd do anything for you queen
Push starts and diamond rings
Your fantasies, your wildest dreams
Ain't here to play, I'm here to stay
Make your request, babe whatchu want (see)
This is what I'm on
If you want it then I got it

It's a go, go, go
It's a go, it's a go, it's a go baby
Yeah, it's a go, go, go
Baby, anything you want is a go, go, go
(Got everything, yeah)
Yeah, go, go, go
You should be the queen for the king
You a go, go, go (It's a go, go, go, go)
Run to love, run to love, it's a go yeah

Run to my love, run to my love, it's a go baby

Hitting the mall ain't a thing

Get you a Benz, get you a Range
You deserve the finer things
Bought you shoes and Birkin bags
The black card, spending cash

Everything you need (everything you need, baby)
Baby it's yours [?] (oh, baby)
Whatever you want you got to get it

All them places we got to go
You list it on your bucket
Lucky for me it's nothing
I'm opening up the budget
Unless you busting it down
Never worry 'bout not busses
Your body, I keep on touching
'Cause it's something that's amazing
I'm going crazy
Got me buying you new Mercedes
And trips to Vegas
And that's just because you my lady
Anticipating all the lovemaking and greatness
