

# Hold On Me

Raheem DeVaughn

Run to you  
No need for a charger  
When you're coming through  
Give me a few moments  
To connect to you  
There's nothing in this world  
That I wouldn't do  
To you my heart is true  
I don't have too many things  
That I could just say  
Running out of words  
Can you just feel me?  
Energy on the low  
My tank is on 'E'  
Can you please come refill me?

You know that love's  
(You know that love's)  
Got a hold on me  
(Got a hold on me)  
You give every ounce  
(Give every ounce)  
Of energy to me  
(Give every ounce, give every ounce)

I would lay here  
Long as I could  
Cus it's never enough time  
To lay by your side  
Every time you meet me it was bliss  
One kiss to another kiss  
And when it's re-up time  
That well don't run dry  
Until you overflow with love  
(Love)  
Overjoyed with admiration  
(Ooh)  
Oh, what I feeling  
What a pleasure  
A sensation (You know)  
You know that love's

You know that love's  
(You know that love's)  
Said you know that love's got a hold on me  
(Got a hold on me)  
You give every ounce of energy babe  
(Give every ounce)  
All the love I need  
(Give every ounce, give every ounce)  
Said you know that love  
(You know that love's)  
Got a hold on me  
(Got a hold on me)  
Every ounce that I need  
(Give every ounce)  
You supply it baby

(Give every ounce, give every ounce)  
Give every ounce, give every ounce

(I want you)  
I want you close  
Need you all the time  
(Every time I crave for you)  
I crave for you  
Can't get you  
Out my mind  
(You can't get me off your mind)  
Boy what is it  
(Yeah)  
That makes me want more  
(Yeah)  
Makes me lose all  
(Yeah)  
Of my self control  
You

You gotta squeeze on  
(You know that love's)  
Got a hold on  
(Got a hold on me)  
On me  
You give every ounce, give every ounce  
(Give every ounce)  
Of energy to me, yea  
Oh baby you know you got a hold  
(Give every ounce, give every ounce)  
You know that love's  
(You know that love's)  
Yea  
Give me, give me every ounce baby  
(Got a hold on me)  
Give every ounce  
(Give every ounce)  
Oh  
(Give every ounce, give every ounce)  
I want you to hold on to this loving  
(You know that love's)  
Hey, this is your safe space  
(Got a hold on me)  
And I love it  
I want you to love it here baby  
(Give every ounce)  
Love it here baby  
Love it here baby  
(Give every ounce, give every ounce)
