

# Honey

Raheem DeV Vaughn

Honeycomb for the sweet honey (oh yeah)  
You bee, have a hit with the sting (sting)  
I lick your walls and tell you I've been rude (rude, yeah)  
You seem [?] when I make your body sing (sing)  
In your California king size where I spread (spread, yeah)  
It's like the perfect song when you rock my mind (when you rock my mind)  
You'd be pouring, you'd be pouring, you'd be pouring  
Like maple syrup out those cakes, the way I like

Baby, you on a scale of one to ten, you're a sixty-nine  
And every time [?], you declare it's mine  
And when my tongue get to go in, up and down your spine  
It's a celebration when it's sticky time

Loving you is like honey (you're a motherfucking pearl)  
When it's bedtime (ooh ooh)  
Sex with you is explosive (explosive)  
Baby, you blow my mind (you blow my mind)  
Loving you is like honey (loving you's like honey)  
When it's bedtime (when it's bedtime)  
Loving with you is explosive (ooh you)  
Baby, you blow my mind (blow my, my mind)

I just wanna rock you like an earthquake (earthquake)  
I just wanna be the best you found (wanna be the best)  
I wanna eat your cake like it's my birthday (like it's my birthday)  
I just wanna overflow your car  
Ooh, you make me wanna push and make a baby  
Every time that you sit upon my throne  
You send me higher, higher, higher than narcotics  
Every time [?]

Baby, you on a scale of one to ten, you're a sixty-nine  
And every time [?], you declare it's mine  
And when my tongue get to going up and down your spine  
It's a celebration when it's sticky time

Loving you is like honey (mind full of honey)  
When it's bedtime (ooh ooh)  
Sex with you (feel right) is explosive ('cause baby you blow, you blow)  
Baby, you blow my mind ([?])  
Loving you is like honey (when I'm all up in your beehive)  
When it's bedtime (bedtime)  
Loving with you is explosive (so explosive)  
Baby, you blow my mind (hey, hey, yeah)

Girl, our bodies do the talking (our bodies do the talking)  
There's no need for us to say (there's no need for us to say)  
We enter a new dimension (we enter a new dimension)  
And we float and we drift away (and we float and we drift away)  
Emit limitless, unlimited loving  
Immeasurable, unforgettable (unforgettable)  
Nothing less than incredible  
A boundless energy, an unmatched chemistry  
Your pheromones taste like honey, honey, like honey  
Your kiss taste like, like honey, honey, honey, like honey  
Loving you, loving you, loving you

Loving you is like honey (you're my mouthful of honey)  
When it's bedtime  
Sex with you is explosive (baby, you blow my mother-effing mind)  
Baby, you blow my mind  
Loving you is like honey (loving you, loving you, loving you, you)  
When it's bedtime  
Loving with you is explosive (explosive)  
Baby, you blow my mind (you blow my mind)

Honey  
Bedtime  
Explosive  
My mind
