

# If I Don't

Raheem DeVaughn

Moment of clarity

She looked me dead in the eyes

She said, "Who gon' love you if I don't?"

She said, "Make me, are you trustin'?"

She said, "Love on me responsibly"

She said, "Always give me truth"

She said, "Promise, never lie to me"

She'd never wanna be in Miami

Bonnie and Clyde like Jamie

She said, "When a good girl's gone, she's gone"

She looked me dead in the eyes and said

She said, "Who's gonna make you better?" (Who's gonna make you better?)

Who's gonna be your darling? Baby

Who's gonna love you better? (No, you)

Who's gonna love you forever?

If I don't

If I, if I don't

If I, if oh, if I don't (If I don't)

If I don't, if oh, if I don't (She looked me in the eyes and said)

Who's gonna make you better?

Who's gonna be your darling? (Who?)

Who's gonna love you better?

Who's gonna love you forever?

If I don't (If I)

If I, if I don't (If I)

If I, if oh, if I don't (If I)

If I don't, if oh, if I don't

She said, "Show me that you love me"

Show me you deserve me

And that you'd never hurt me

'Cause our love, laughter, magic

Could be a next man's treasure

If I don't, if I don't, if I don't love you

She said, "Say it if you mean it"

Do it if you mean it

You're more than a four letter word

She don't need no baggage or no hurt in her life

So I better think twice

She looked me in the eyes and said

She said, "Who's gonna make you better?" (Better?)

Who's gonna be your darling? Baby

Who's gonna love you better? (Oh)

Who's gonna love you forever?

If I don't

If I, if I don't

If I, if oh, if I don't

If I don't, if oh, if I don't (She looked me straight in the face and said)

Who's gonna make you better? (Who's gonna?)

Who's gonna be your darling? (Oh, it'll be my darling)

Who's gonna love you better?

Who's gonna love you forever? (Oh)

If I don't (If I)

If I, if I don't (If I)

If I, if oh, if I don't (If I)  
If I don't, if oh, if I don't

All of the riches in the world  
And all of the things money can buy (Fur coats and diamonds)  
She said that you love me right if you don't  
If you don't, if you don't  
Oh, you'll regret it if you don't  
You gonna be so rich, she said (She said)

She said, "Who's gonna make you better?"  
Who's gonna be your darling? (Ooh, baby, darling)  
Who's gonna love you better? (If I)  
Who's gonna love you forever?  
If I don't (If I don't)  
If I, if I don't (Don't)  
If I, if oh, if I don't (She stole my heart)  
If I don't, if oh, if I don't (When she, when she said to me)  
Who's gonna make you better? (Hey)  
Who's gonna be your darling? (Who's gonna be your darling?)  
Who's gonna love you better? (If I)  
Who's gonna love you forever? (If I don't)  
If I don't (If I)  
If I, if I don't (Baby)  
If I, if oh, if I don't (If you don't, nobody will)  
If I don't, if oh, if I don't (Baby)...
