

# Lawd Help Me

Raheem DeV Vaughn

(It's to go)  
Lord, Lord, Lord, Lord, Lord  
(Love life)  
As I would say every super hero has a super power  
Every artist has a specific gift  
They have their own way of approaching it  
And to me, It seems like the way you're approaching  
You know when I watch your growth from start evolve to the point that it is  
now  
So I feel like you know who I really need to find  
You know what energy you're bringing to the table  
You know I hear, I hear

I see babies feared with bullets from drive-by  
Another hashtag seeing another mama cry  
Black on black crime  
It seems like ever since the Birth of a Nation  
We've been treated less and less and denied reparation

They make me wanna flip  
They temper with my vote and called it poll entrance  
Disrespect our lives with a stop and frisk  
And kill the black men, it ain't forty-six  
A signed tenet, the mark and the bee  
If few there's justice, they'll be no peace

Oh Lord, Most High help me  
Oh Lord Lord Lord, Lord Lord

Is lead in the water? And polluted clouds? Lord  
(Lord lord)  
Recession and depression, unemployment on the rise  
(What happened to our connection with you though)  
But I feel your presence, so I'm staying faithful  
I wipe the ashes of the scripture no extra dust  
It makes me wanna sing  
'Cause nobody knows the troubles that I've seen  
I'm not your nigga, I was born a king  
I've been a G, and I vibrate higher

They make me wanna flip  
They temper with my vote and called it poll entrance  
Disrespect our lives with a stop and frisk  
And kill the black men, it ain't forty-six  
A signed [?], the mark and the bee  
If few there's justice, they'll be no peace

Oh Lord, Most High help me  
Oh Lord Lord Lord, show me the way, help me (Help me)  
I say oh Lord (Most high), Lord help me  
Protect the innocents and beautiful children  
I said oh Lord Lord Lord  
(Hey hey, I say to) Help me  
From the evil that they do do do do do do do do  
I said oh Lord, help me

Anyone can find out

Starvation of every continent, yeah  
(Lord Lord Lord, help me)  
(I say oh Lord, Lord help me)  
And every nation  
(I say oh Lord Lor Lord, help me)  
Yeah, 'cause the world is still a beautiful place where  
(I say oh Lord, help me)  
Or when I see Mother Nature when I smoke all my trees, yeah  
(I say oh Lord, help me)  
I feel Lord Lord Lord  
(Lord Lord Lord, help me)  
In the name of America, in the name of Allah, uh  
Yeah  
(I say oh Lord, Lord help me)  
In the name of Africa, in the name of Jah  
(I say oh Lord Lord Lord, help me)  
Oh world of peace, oh world of love  
Oh oh, help me  
(I say oh Lord, help me)  
Help me, help me Lord
