

Love Around The Clock

Raheem DeV Vaughn

All of my thoughts
Boy the whole time
You been on my mind today
And I've been waiting for your call
Patience with participation
When you touch my skin
Deep down within
The feeling comes over me
The way you take your time
Don't rush
Love how you pace yourself with me
So tonight real slow

Tonight let's go for
1AM 2AM 3AM 4AM
I'm gonna give you all I got
I want your love around the clock
Love
Love around the clock
Love
So let's go rounds for
1AM 2AM 3AM 4AM
Baby give me all you got
I want your love around the clock
Love
Love around the clock
Love

Where should I start
Hands on your hips
Just before we kiss
You make this room spin round and round
And I know that it's love
Love that I feel in you
So whisper your pleasure to me
Cause I plan to supersede it all
And I'll be committed to you
That means it's yours just when you call
So plant your kisses everywhere
Power down the phones 'til we're lost in ecstasy
Baby give yourself to me

Tonight let's go for
1AM 2AM 3AM 4AM
I'm gonna give you all I got
I want your love around the clock
Love
Love around the clock
Love
So let's go rounds for
1AM 2AM 3AM 4AM
Baby give me all you got
I want your love around the clock
Love
Love around the clock
Love

So don't rush baby
I'm gonna take my time
Please be gentle with my body baby
Please be gentle with this heart of mine
Baby I know that you're deserving
Something real and hard to find
So I'll be fragile with you baby
When I give you this love of mine

Tonight let's go for
1AM 2AM 3AM 4AM
I'm gonna give you all I got
I want your love around the clock
Love
Love around the clock
Love
So let's go rounds for
1AM 2AM 3AM 4AM
Baby give me all you got
I want your love around the clock
Love
Love around the clock
Love
