

Love Explained

Raheem DeVaughn

So we're talking about getting back, huh?
We're also talking about love
Well, you can't love anybody until you love yourself
But in order to go back to love
You gotta know what love is first

What is love?
Love is an unconditional energy
When it's used at its best
It loves because
It loves for
It loves in spite of
And love heals
And when it doesn't feel like that then
It ain't love
