

Mr. Right

Raheem DeV Vaughn

Now some people call me
The R&B, hippie, neo soul, rockstar
And others they call me
Mr. Grammy nominated, BET award winning

The hustler, hustler, Radio Raheem, Raheem
Mr. DeV Vaughn, even confused it with Devine
But baby, you can just call me, Mr. Right

Hold up, let me stop you there before you go further
I know that you been hearing that I ain't no good
I'm a player, I'm a flirt, a heart breaker, even worse
Don't you date him, you'll get hurt

Oh girl, yes, I did my dirt but now
I'm all cleaned up and ready for love
Don't stop before we start it
Baby, let me show you where my heart is

If you let me be your Mr. Right
I will turn into your Mr. Right now
Let me be the one to treat you right
Girl, I promise I won't let you down

I'm Mr. Right, right now
I can be your Mr. Right, right now
Let me be your Mr. Right, right now
I'm a be your Mr. Right, right now

Now wait, you don't have to worry 'bout yesterday
'Cause everything's subjected to change
See I been there, done that
I changed up my act, I ain't goin' back

Oh girl, yes, I did my dirt but
But, but, I done cleaned the old me up
Don't stop before we start it
I'm just tryna show you where my heart is

If you let me be your Mr. Right
I will turn into your Mr. Right now
Let me be the one to treat you right
Girl, I promise I won't let you down

I'm Mr. Right, right now
I can be your Mr. Right, right now
Let me be your Mr. Right, right now
I'm a be your Mr. Right, right now

I wanna shower you with all your wishes
Wet you with my kisses
I wanna be your Mr. Right now
And want you to be my Misses

For every new tomorrow
Season after season
I can't think of a better reason

To wanna be a changed man

If you let me be your Mr. Right
I will turn into your Mr. Right now
Let me be the one to treat you right
Girl, I promise I won't let you down

I'm Mr. Right, right now
I can be your Mr. Right, right now
Let me be your Mr. Right, right now
I'm a be your Mr. Right, right now

If you let me be your Mr. Right
I will turn into your Mr. Right now
Let me be the one to treat you right
Girl, I promise I won't let you down

I'm Mr. Right, right now
I can be your Mr. Right, right now
Let me be your Mr. Right, right now
I'm a be your Mr. Right, right now

I wanna be your Mr. Right, girl
