

# Retrograde

Raheem DeVaughn

Love King, love King forever

You're on your own  
In a world you've grown  
A few more years to go  
Don't let the hurdle fall  
So be the girl you loved  
Be the girl you loved

I'll wait  
So show me why you're strong  
Ignore everybody else  
We're alone now  
I'll wait  
So show me why you're strong  
Ignore everybody else  
We're alone now

Suddenly I'm hit  
Is this the darkness of the dawn?  
And your friends are gone  
And your friends won't come  
So show me where you fit  
So show me where you fit

I'll wait  
So show me why you're strong  
Ignore everybody else  
We're alone now (We're alone now)  
(We're alone now)  
(We're alone now) I'll wait  
(We're alone now)  
(We're alone now) I'll wait  
(We're alone now)  
(We're alone now) I'll wait  
(We're alone now) I'll wait (I'll wait)  
(We're alone now)

Suddenly I'm hit  
Is this the darkness of the dawn?  
And your friends are gone  
And your friends won't come  
So show me where you fit (So show me where you fit)  
So show me where you fit (Show me where)

I'll wait

Tell me where, tell me where  
Tell me where, tell me where  
Oh, where  
Don't let the hurdle fall  
Be the girl you used to know and love  
Love, love
