

## Rick James

Raheem DeV Vaughn

You know tonight  
Tonight I'm feeling freaky, baby, like  
Like I'm Rick James, baby

Listen  
Tell me what you into  
Tell me what you ain't  
So we can get to it, babe (baby)  
Until I make you faint (pass out)  
And wear the lipstick that I like (that I like)  
That red light candy paint  
Gotta pace yourself, pace yourself, pace yourself  
Ooh, hold up, wait now  
Now let me help, let me help, let me help (you undress yourself)  
Yeah, you arch your clothes, arch your clothes, arch your clothes  
Yeah, just tell me the point of entry that you desire (desire)  
All of this is for work, oh [?] you you you  
So be a very freaky girl, a very freaky girl
