

Sugar Love

Raheem DeV Vaughn

You've got that sugar love
Girl, your love is so sweet
You've got that sugar love
You've got that sugar love (Ooh, ooh)
Girl, your love is so sweet
You've got that sugar love (Sugar love)

Listen here, darling (Yeah)
I will not rest 'til I have you
The world has never seen
Such a passion, uh
Such a love for you, ayy
Seems like you're open (Ooh)
I'm thinking 'bout stroking
Your hair, your skin, your grooves
Like blackberry molasses
Girl, it's true

You've got that sugar love (Yeah, hey, sugar love, Oh, yeah, baby)
(You know you've got it)
Girl, your love is so sweet
You've got that sugar love (Sugar love)
You've got that sugar love (Sugar love, oh, baby, know that you've got it)
Girl, your love is so sweet (Oh)
You've got that sugar love (Sugar love, yeah)
(Yeah)

You got that special kind of loving
And I love the way you feel inside
Girl, I love the way you feel inside
Silky, smooth, and sweet like honey
Can't wait to get a slice of your body
Just don't forget to leave a taste for me, girl

You've got that sugar love (Love, sugar)
Girl, your love is so sweet (Oh)
You've got that sugar love (Sugar love)
You've got that sugar love (Sugar love)
Girl, your love is so sweet (Oh, oh)
You've got that sugar love (Sugar love)
(Yeah, Yeah)

You're like the sweetest holiday
I love you, come around my way (Ooh, ooh-ooh, ooh, ooh, ooh, ooh)
Because your fragrance is so heavenly (Ooh, ooh-ooh)
Take me to your sugar galaxy

You've got that sugar love (Oh, oh, oh-ooh)
Girl, your love is so sweet (Oh)
You've got that sugar love
You've got that sugar love (Sugar love)
Girl, your love is so sweet (Yeah)
You've got that sugar love (Sugar love)
That sugar love
Girl, your love is so sweet
You've got that sugar love
You've got that sugar love

Girl, your love is so sweet
You've got that sugar love
