

Up And Down

Raheem DeV Vaughn

(Aha) Up Down baby
(Aha) Up Down baby
(Aha) Up, Down

If you're in the mood for an allnighter
If you're in the mood for a sweat
If you're in the mood for a wet kiss (Wet kiss)
Starting at your ear lobes and your neck
Babe
If you've never felt like you need a freak before
If you wanna smoke with a real one
If you wanna be taste when you're naked
Pull up to my place, put it in my face
I pull your panties to the side
Keep the lights on
Careless but baby come and have a seat
(Baby come and have a seat)
Until you feel it in your stomach
Tell me how you want it
'Til no soul you can shroud on me

You can saddle up and go up and down (Up and down)
I won't drown
Head to toe, I'm your playground
So ride up and down like a seesaw
So grind it good, up and down (Up and down)
I won't drown
From head to toe, your body is a playground
So ride up and down like a seesaw (Seesaw)

If you need a red light special
I can conquer your body like a quest
Twist your body in and out like a cherry still
Once I hop you up that body dread
Baby if you wanna see one turn to grey
If you need that I'm sure night and day
Let you ride, seer up 'til you're choking
'Til we're all up through a pack of Magnum trojans
You climb the walls when I go in deep and naval
A marble floor on tippy toes and tables
Ring you on me, just do it

You can saddle up and go up and down (Up and down)
(I I I) I won't drown
From head to toe, I'm your playground
So ride up and down like a seesaw
So grind it good, up and down (Down)
I won't drown (I won't drown no no no)
From head to toe, your body is a playground
So ride up and down like a seesaw (Seesaw)

Want you to ride 'til I feel your legs tremble
Want you to ride 'til you're woozy in the head
Want you to ride like a cow girl
Ride 'til we fall and upset
(Saddle up, saddle up, saddle up)

You can saddle up and go up and down (Ooh ooh)
I won't drown (I won't drown)
Head to toe, I'm your playground
(So ride, so ride, so ride)
So ride up and down like a seesaw (Like a seesaw)
So grind it good, up and down (And I won't)
I won't drown (I won't drown no no no)
From head to toe, your body is a playground
(Up in your playground)
So ride up and down like a seesaw

You can saddle up and go up and down (Yes you will)
I won't drown (I won't drown)
Head to toe, I'm your playground
(From your playground, you)
So ride up and down like a seesaw
(I'm your seesaw)
So grind it good, up and down
(Up and down, up and down, up and down)
I won't drown
(I won't drown, I won't drown, I won't drown)
From head to toe, your body is a playground
(My body is your playground)
So ride up and down like a seesaw
(You're my playground, you're my playground)

Playground
We'd ride it up and down
We, we'd ride it up and down
Oh, ride it up and down
Just like a seesaw
Up and down, down and up
(Up and down)
Up and down, down and up
Up and down, down and up
Up and down, down and up
