

When a Man

Raheem DeVughn

Hey, baby
Lemme tell you what a man's supposed to do for you
Listen

Shopping sprees
Well, a man's supposed to keep you pampered, yee
Toss you a brand new key to a ride parked outside
Just 'cause, when you ain't even ask him, yeah
(Hey, look here)
I'm the type to run your bath water
Ooh, I'm the type to rub your feet, baby
(I'm the type to rub your feet), yeah
I'm the type to cook a home cooked meal for ya, sugar (Ooh)
And break you off with Babyface, whip appeal
Have mercy, 'cause I know

When a man (When a man)
When a man (When a man)
When a man loves his girl (When a man loves his girl)
See, he'll do anything (Anything, anything, anything, anything, anything)
Yes, he will
To show her that she's his world
(When a man)
When a man loves his girl (When a man)

So think of me as your upgrade (As your upgrade)
Know I never been captain, save a, ooh (I never been captain, save 'em, no),
hmm
But let me show you what I know, miss lady
If you give me your hand, I know that diamonds are a girl's best friend, yea
h
(So here you go baby, now put it on)
If you the type to ride shotgun, ooh
I can pick you up and take you out, and wine and dine ya (Sho'nuff)
Ooh-ooh-ooh
And you don't know what you deserve, baby (What you deserve)
Then I'ma take it 'pon myself to take off the blinders
Baby, and remind ya
'Cause when a man

When a man (When a man)
When a man (When a man)
When a man loves girl (When a man loves his girl)
See, he'll do anything (Anything, anything, anything, anything, anything)
Yes, he will
To show her that she's his world
(When a man)
When a man loves his girl
When a man (When a man)
When a man, when a man (When a man)
When a man loves girl (When a man loves his girl)
You see, he'll do anything (Anything, anything, anything, anything, anything
)
Yes, he will
To show her that she's his world
(When a man)
When a man loves his girl (When a man)
