

Zaddy

Raheem DeVaughn

And I can't get enough of your honey baby, oh no
Oh, please forgive me if I make you use the Lord's name in vain
And I won't be mad if you try to say my name
Well, just lay here babe, yeah, tonight, listen

Locked up in your sanctuary
Kissing all up on your skin
And it feels so far from temporary
Every time I'm drawn in
So be vocal as you wanna be
While we sex under the canopy
And give you every inch of man in me

So be forewarned this love, this love, this love, this love
Just might make you s-s-stutter
And my head was so gone, so gone, so gone, so gone, so gone
And it gets hard to say my name
I'm gonna love you so long, so long, so long, so long, so long
I'm gon' give you a nighttime and daytime bang bang bang bang

You can be my freak and have no shame tonight

Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy

Staring in your pretty brown eyes
Yeah, happiness is all I see
So there'll be no limit when it comes to pleasing you
'Cause girl, you mean the world to me
Tonight we'll love in all positions
The same [?] the marathon
So welcome back to love land my baby
Tonight I'm gonna be the one

So be forewarned this love, this love, this love, this love
Just might make you s-s-stutter
And my head was so gone, so gone, so gone, so gone, so gone
And it gets hard to say my name
I'm gonna love you so long, so long, so long, so long, so long
I'm gon' give you a nighttime and daytime bang bang bang bang

You can be my freak and have no shame tonight

Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy

Uh, wet as a puddle, you have to fit inside, you say it's a struggle
Got me yelling, "I love you", tell you it's for you
While you dive in it like Cousteau, said I wouldn't call you out your name

You found a loophole, matter of fact you found a few holes
And I like that, phone ringing non-stop, I hit them right back
While you hit it from behind like Gregory Hines, I just might tap
Swallow you before it's bedtime, now that's a nightcap
Said you can go all night, thought that was a slight cap, but you backed it
up
Hopped on top after you wrapped it up, I backed it up
I'm on a mattress stuck, you gripped my ass, amazed it's fat as fuck
I'm like, "Zaddy, what?" You grinning 'cause you like that nasty stuff
While I'm taking every order, might make a son or a daughter

Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
Tonight I'm gon' make you call me zaddy
