

# Separate

Rahsaan Patterson

No more fighting  
Cause it's frightening to see you  
Born this side of love  
I'm disgusted  
With being fussed and  
And tired of you  
Making me wrong  
Would it kill you  
To be rid of the anger  
That you built up  
Cause from my sight  
It feels like  
What I had to give  
Was not enough  
So

Chorus :  
I think it's time we separate  
Wrap it up and call it a day  
I think it's time we separate  
You go yours and I go my way

No more swearing  
Cause it's tearing up my heart  
To feel this side of love  
Won't come saw you  
Cause I told you  
The next time would be  
The last for us  
We're discussed and  
And I trusted that somehow  
Things would be different  
It's the same game  
And I'm to blame till I say  
That I've had enough  
So

Chorus :  
I think it's time we separate  
Wrap it up and call it a day  
I think it's time we separate  
(Separate)  
You go yours and I go my way  
(Your way and I go mine)  
I think it's time we separate  
Wrap it up and call it a day  
(Wrap it up and call it a day, yeah)  
I think it's time we separate  
You go yours and I go my way  
(Go my way, yeah, yeah)

Oh I think it's time we separate  
Oh I think it's time we separate  
Baby

Chorus :  
I think it's time we separate

Wrap it up and call it a day  
I think it's time we separate  
You go yours and I go my way  
I think it's time we separate  
(Separate)  
Wrap it up and call it a day  
(Oh, I)  
I think it's time we separate  
You go yours and I go my way
