

Sure Boy

Rahsaan Patterson

Don't live in a mansion with a pool
Don't drive a Bentley
Mama said it's cool
Ain't got no lovers
Or babies boo
Just got my records
And my favorite shoes

Chorus :
Cause I'm a sure boy
With an opened heart
Down to finish what I start
Can't nobody change my tune
I'm a sure boy
With an opened heart
Down to finish what I start
Can't nobody change my tune
Can't change my tune
Can't change my tune

I was raised on Jesus and his girlfriend Chah
Singing his bridges
Every chance I got
Put a gun Mama and Daddy too
It was easy deciding which role to choose

Chorus :
Cause I'm a sure boy
With an opened heart
Down to finish what I start
Can't nobody change my tune
I'm a sure boy
With an opened heart
Down to finish what I start
Can't nobody change my tune
Can't change my tune
Can't change my tune

Don't live in a mansion with a pool
Don't drive a Bentley
Mama said it's cool
Ain't got no lovers
Or babies boo
Just got my records and my favorite shoes

Chorus :
Cause I'm a sure boy
With an opened heart
(Sure boy)
Down to finish what I start
Can't nobody change my tune
(Nobody, no)
Sure boy
With an opened heart
Down to finish what I start
Can't nobody change my tune
(No, no, nobody, nobody)

Sure boy
(Sure boy)
With an opened heart
Down to finish what I start
Can't nobody change my tune
I'm a sure boy
With an opened heart
(Nobody)
Down to finish what I start
(Nobody gonna do it)
Can't nobody change my tune

Can't nobody no
Change my tune
Nobody, no

Sure boy
With an opened heart
Down to finish what I start
Can't nobody change my tune
