

You Make Life So Good

Rahsaan Patterson

I've waited all my life
For this moment to arrive
Saw it coming back some miles
And I'm so glad you took the ride
You're the one I do adore
How could I ever ask for more
You're the special kind of wild child
It's like you've been here once before

Nothing can make me bend
Or stray from this love again
This heaven is a blessing sent
I'm honored to be your man

Cause you make Life So Good (2x)

You took away my pride
Made me open up my eyes
Cause now I realize that love is fine
And it's a feeling I can't deny

You're love's a blessing sent
From heaven above my friend
Nothings' going to make me bend
Out of this love again

I love you, yeah (ooh, I love)
Don't ever change
I love you yeah
You're the best thing yet
