

# BLACK SOUL

Rain

I, I, I don't wanna live without you (I don't, I don't, I don't)  
I don't want to (I don't, I don't, I don't)  
I, I, I don't wanna live without you

I can see you in the light so clear now  
Tryna find a window you could peer out

I can't keep on running  
No, I can't keep on running  
No, I can't keep on running  
I know that you can't keep up this lie  
I can't keep on looking in the mirror  
Knowing that I've been running  
Tell me that you don't wanna, you don't wanna do  
This to yourself  
To yourself

Give up my will and I'll give up my body  
I don't know another way  
Darling, don't you try to save me  
I'm falling  
Give up my love, don't listen to anybody  
I don't wanna run away  
Can you hear me calling out here?  
I'm calling out

I, I, I need to be here beside you  
I, I, I lost everything to find you, ooh

I can't keep on running  
No, I can't keep on running  
No, I can't keep on running  
I know that you can't keep up this lie  
I can't keep on looking in the mirror  
Knowing that I've been running  
Tell me that you don't wanna, you don't wanna do  
This to yourself  
To yourself

Give up my will and I'll give up my body  
I don't know another way  
Darling, don't you try to save me  
I'm falling  
Give up my love, don't listen to anybody  
I don't wanna run away  
Can you hear me calling out here?  
I'm calling out

Here I am  
I'm falling  
I'm falling now  
I'm calling out
