God Only Knows

Raign

I may not always love you
But long as there are stars above you

If you should ever leave me
Though life would still go on
Believe me

God only knows
God only knows
God only knows
Oh

I may not always love you
But long as there are stars...

God only knows what I'd be without you
God only knows
God only knows what I'd be without you
God only knows
God only knows what I'd be without you
God only knows

God only knows what I'd be with you
God only knows
