

# Hero (I Will Survive)

Rain

You can stand and face the storm  
Sometimes words are made of stone  
Go on  
It's time to survive

I can be a hero when the fear rose up  
If I can make it here, I can make it anywhere  
I want a million-dollar sunset  
Lighting up my front step  
Watch me spin the meds right round  
I can take it all, go and light 'em up  
I can jump the high bar, make it on top  
I'm running down the fast lane  
Barreling like a jet plane  
Don't you forget my name

I'll be a hero, oh, woah, oh  
I'm a hero, oh, woah, oh  
I will survive  
Oh, I will survive  
I'll be a hero, oh, woah, oh  
I'm a hero, oh, woah, oh  
I will survive  
Oh, I will survive

They can go and talk, they can push me around  
I came to win, I'mma stand on my ground  
I'll be waiting for the right time  
Now on the front lines  
Now I'm gonna take what's mine  
I can hear the engines firing up  
I can take the heat anytime it gets rough  
Coming like an air raid  
Gonna do it my way  
Bet you won't forget my name

I'll be a hero, oh, woah, oh  
I'm a hero, oh, woah, oh  
I will survive  
Oh, I will survive  
I'll be a hero, oh, woah, oh  
I'm a hero, oh, woah, oh  
I will survive  
Oh, I will survive

Hey, hey, hey  
I gave everything I've got  
Only got one life  
I will survive

I'll be a hero, oh, woah, oh  
I'm a hero, oh, woah, oh  
I will survive  
Oh, I will survive  
I'll be a hero, oh, woah, oh  
I'm a hero, oh, woah, oh  
I will survive

Oh, I will survive
