

Now I Can Fly

Rain

Fearless desire falls like a river
I can do anythin', nothin' can stop me
From reachin' the sky
Like walkin' on water, I'm climbi'g up higher
Rise like a phoenix, I open my wings up
And now I can fly

Give me somethin' real, real
Somethin' I can feel, feel
All the wounds will heal, heal
Now I can fly
Push a little harder, harder
My heart is beatin' faster, faster
Feel me gettin' lighter, lighter
With wings open wide

Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Now I can fly
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
With wings open wide

Shine like the ocean, floatin' emotion
This is the moment, it won't last forever
So I'll make it last
Fight now or never, take me to heaven
Treasure the freedom, I'm knowin'
That I could be touchin' the stars

Give me somethin' real, real
Somethin' I can feel, feel
All the wounds will heal, heal
Now I can fly
Push a little harder, harder
My heart is beatin' faster, faster
Feel me gettin' lighter, lighter
With wings open wide

Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Now I can fly
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
With wings open wide

I fell, I broke, I shattered open
The water came and lift me up
The flask is full, the cracks are golden
We're aimin' for the sun
We're aimin' for the sun

Whoa-oh, whoa-oh, whoa, oh, whoa, oh

Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Now I can fly
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
Whoa-oh, whoa-oh, whoa, oh, whoa, oh
With wings open wide
