I found out

How affectionate you were with him
Images of yourself that you never showed me
I always wanted you
But I don't need you anymore

You left me in just one moment
How could I forgive you?
It's too late, I know everything now
Your fake way of talking and lies

Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up

Go, please
Have you ever thought of my feelings?
In my pain that I went through alone
I always wanted you to come back
But I don't need you anymore

You left me in just one moment
How could I forgive you?
It's too late, I know everything now
Your fake way of talking and lies

Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up

How did you and I become this way?
I tried to forget you, tried to erase you but

I tried to let you go, tried to erase you but
You float around me like the wind and clouds
I love you but I can't ever see you again
My breath keeps stopping short
Even if my heart rips, I will erase yo
I'll throw away all of the thorn-like memories from my eyes

Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up

Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up
Keep keep keep keep you stand up
