Oppa Oppa Oppa Oppa
Oppa Oppa Oppa Oppa Oppa Oppa
Oppa Oppa Oppa Oppa
Oppa Oppa Oppa Oppa Oppa Oppa

Oppa Oppa Oppa Oppa
Oppa 1 2 3 4
Oppa Oppa Oppa
Oppa Oppa Oppa Oppa

Oppa, oppa, where are you going? Oppa
Come here and play with me, oppa
Oppa, oppa, where are you going? Oppa
Come here and play with me, oppa

Ah why? I'm busy
Ah why? I'm busy
Ah why? I'm busy
Just play by yourselves, oppa is too busy

You're playing so hard to get
Oppa, listen to what I'm saying
If you keep working like that, you'll just grow old and die
Now listen carefully to what I'm saying now

When you play, you need to play, you'll get a feeling
When you play, 1 2 3 4
When you play, don't think about anything
When you play, trust your body to the music

When you play, you need to play in order to everything
When you play, 1 2 3 4
When you play, do it till your bones break
When you play, you need to go crazy to know about girls

Oppa, oppa, where are you going? Oppa
Come here and play with me, oppa
Oppa, oppa, where are you going? Oppa
Come here and play with me, oppa

Ah why? I'm busy
Ah why? I'm busy
Ah why? I'm busy
Just play by yourselves, oppa is too busy

My name is Ji, on stage, it's Rain
Everyone sees me and falls for me
So I go back to the stage of the past
I'm busy today because of that

When you play, you need to play in order to everything
When you play, 1 2 3 4
When you play, do it till your bones break
When you play, you need to go crazy to know about girls

When you play, you need to play, you'll get a feeling
When you play, 1 2 3 4
When you play, don't think about anything
When you play, trust your body to the music

Yes I did, yes I did, somebody, please
Do like me, do like me
You got my heartbeat running away you

Oppa, just listen to me today and let's play

Oppa, oppa, where are you going? Oppa
Come here and play with me, oppa
Oppa, oppa, where are you going? Oppa
Come here and play with me, oppa

When you play, you need to play in order to everything
When you play, 1 2 3 4
When you play, do it till your bones break
When you play, you need to go crazy to know about girls
