

# Peter Pan

Rainbow Kitten Surprise

Well, we're lost boys  
But I can't think of anywhere I'd rather be  
Than here with you  
Lost  
Lost

Now I  
Have got some reservations about this whole thing  
I'm just trying to assess the situation of this whole thing  
Shit's gonna pan out, at all  
Peter Pan out  
We're all

Lost boys

Lost boys

I've been flying so low  
I've been flying so low  
Trying made me get crazy  
Rabbit down the hole, oh  
Writing like I've been wrong  
Ride until I go slow  
Steady working my way out of  
Steady working my way out of

I've been trying to tell you  
I could sign a blank check  
You would say the bank closed  
I just burned a blank disk  
Steady working  
Mama tell me  
Am I worth it anymore
