You're caps on some letters the Devil won't recognize  
You emphasize politeness  
Policy got to me battered but hard to beat heart beating  
And I'm deaf and I'm dumb and I'm numb  
But I empathize to reconcile and save time  
Screaming your feeling repeating your needs  
I can read when you seethe  
I repeat: I know grief when I see it  
Believe me, I know  
Creature fear creeping up seeking the weak in us  
Quit picking meat from us wolf in the sheep in us  
Preaching it justice  
Preaching adjustment  
I should just shut up and cut the  
Goddamn lights off  
It's too late to turn back now  
Trust me there's a few ways to renew faith  
It's too late to earn those all (just)  
Grab all  
Grab all you came for  
To rectify your nature to homeostasis  
You're making a scene  
You're making a scene baby  
To wreck the scene  
To Recktify us  
You're making a scene  
You're making a scene baby  
To wreck the scene  
To wreck the scene  
To rekt
