

Automatic

Rainer Maria

I can tell
You have inspiration
Truly
You're such a lucky girl

I can see
You're have automatic beauty
It takes
Our breath away

Your sense of humor
Is light years
Is light years
Is light years
Beyond your age

x2
Ooo... (ooo...)
Uuu.... (uuu...)

I can see
You're an automatic beauty
Just by the things you say

Your sense of humor
Is light years
Is light years
Is light years
Beyond your age

x2
Take it down
And dust it off
And open up the pages

(x4 You got it)

Standing on the
Shoulders of the
Greatest of the ages

x2
Ooo... (ooo...)
Uuu.... (uuu...)

I can tell
You're an inspiration
Truly you're such a lovely girl

You're such a beauty
You take our breath away

x2
Ooo... (ooo...)
Uuu.... (uuu...)
