

## You Are Not Young Any More

Raining Pleasure

community, impurity, reality  
all blending in one  
dap shoo-wah-doo-wah-doo  
and what is this, a thinking brain, a flawless chain  
the lottery's on  
dap shoo-wah-doo-wah-doo  
i slept from one day full of dreams  
all the way to a night full of absence  
and when you finally know what was wrong  
you are not young any more oh no

life will be almost a beautiful sound  
life will be almost a beautiful sound

some naughtiness, teenagerness, a touch of guilt  
the picture is drawn  
dap shoo-wah-doo-wah-doo  
what do we have, a rusty head, a rattling chain  
connection at 10  
dap shoo-wah-doo-wah-doo  
he spent his whole life lying in bed  
oh well give him a friend before you call him a loner  
and when you finally know what was wrong  
well you are not young any more oh no

life will be almost a beautiful sound  
life will be almost a beautiful sound
