

Heartless

Rains

How could you be so cold?
As the winter wind blows
Remember that you're talking to me though
You need to watch the way you talk to me, you know

After all the things we've been through
After all the things we got into
There are some things you haven't told me
I did some things but that's the old me

Now you wanna get me back and you gonna show me
You walk around like you don't know me
You got a new friend, well I've got me
In the end it's still so lonely

In the night I hear them talk, the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
How could you be so heartless?

How could you be so Dr. Evil?
You're bringing out a side of me that I don't know
I decided we weren't gonna speak, so
Why are we up 3 a.m. on the phone?

Why would she be so mad at me for?
You, I don't know, she's hot and cold
I won't stop, 'cause I know
How this thing's gonna go

You tell your friends you're gonna leave me
They say they don't see what you see in me
You wait a couple months and you'll see
You'll never find somebody better than me

In the night I hear them talk, the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
How could you be so heartless?

Talk and talk and talk and talk
Baby let's just knock it off
They don't know what we've been through
They don't know about me and you

Why there's something new to see
You'll just keep hating me
We'll just be enemies
I know you can't believe

In the night I hear them talk, the coldest story ever told
Somewhere far along this road he lost his soul
To a woman so heartless
How could you be so heartless?
How could you be so heartless?
