

# It's Okay To Not Be Okay

Raisa

You're an overthinker, me too  
A chronic people pleaser, guess who?  
And you think everyone  
Cares as much as you do  
Hate to break it to you  
They don't

Let's figure this together  
Yeah, It's cool  
Layer after layer  
No rules

Every emotions are welcome  
You think I'mma judge you, I won't (I won't)  
I won't (I won't)

And I say "It's okay to not be okay"  
'Cause you know  
You can count on me anyway  
You just had a bad day  
Doesn't happen everyday  
And the sun keep shining through

If you say  
"It's okay to not be okay"  
Doesn't mean that trouble's gonna go away  
Give yourself a break, and  
Pick another day  
You'll figure it out

You have to be a fighter, it's true  
Let's come out a winner, me and you  
All those trouble makers, attention seekers  
They've got nothing on us  
Mmm-mmm

Luck doesn't seem to go your way  
Your way  
Dust yourself off and come what may (Come what may)

And I say "It's okay to not be okay"  
Ooh, you can count on me anyway  
You just had a bad day  
Doesn't happen everyday  
Sun keep shining through

If you say  
"It's okay to not be okay" (Be okay)  
'Cause you know  
You can count on me anyway  
You just had a bad day  
Doesn't happen everyday  
And the sun keep shining through

If you say  
"It's okay to not be okay"  
Doesn't mean that trouble's gonna go away

Give yourself a break, and  
Pick another day  
You'll figure it out

(It's okay) It's okay  
(To not be okay) Not be okay  
It's okay  
Tomorrow's another day  
Oh-uh

It's okay  
To not be okay  
It's okay  
You'll figure it out

It's okay  
(To not be okay) It's okay to not be okay  
It's okay  
Tomorrow's another day, yeah

(It's okay) Ooh, it's okay to not be okay  
(To not be okay) It's okay, tomorrow's another day  
It's okay  
You'll figure it out
