

Love You Longer

Raisa

You came into my life unexpectedly
You saw my imperfections
And you saw who I am
Through all my insecurities
You stood by me
So I love you for the peace that you bring to my soul
High and low I've searched
You're the only one for me

You're my person in my home
You are real you're my earth
You're a million dollar things
That you don't even know
You're my sun you're my rain
You're the twinkle in my eye
Oh I wish I found you sooner
So that I, I can love you longer

You told me how to feel so beautiful
To forgive all my faults, to accept all my flaws
Through all my insanities
You love and feel so I love you for all rightness you bring to my soul
High and low I've searched
You're the only one for me

You're my person in my home
You are real you're my earth
You're a million dollar things
That you don't even know
You're my sun you're my rain
You're the twinkle in my eye
Oh I wish I found you sooner
So that I, I can love you longer

I've searched high and low for you
But times get the best for lesson
I've never felt so sure in my life
You're the only one for me

You're my person, you're my home
You are real you're my earth
You're a million dollar things
That you don't even know
You're my sun, you're my rain
You're the twinkle in my eye
Oh I wish I found you sooner
So that I, I can love you longer
