Raja Kumari

White or black
Black or white
Lips so red
Eyes so bright
Shine with no light
In the night
Light me up
Like a lighter
You're the one now
Then u gotta
Make it rain like
Holy water
Bang the drum now
Hit it harder
Bring the thunder
Fire starter

Dhina Dhinak Dhina
Dhina Dhinak Dhina
Dhina Dhinaka Dhina Oh yeah
Dhina Dhinak Dhina
Dhina Dhinak Dhina
Dhina Dhinaka Dhina Oh yeah
Dhina Dhinak Dhina
Dhina Dhinak Dhina
Dhina Dhinaka Dhina Oh yeah

I make it turn up
Like I'm gassing ya
Fanning the flames
U better learn up
Only talk if you
Saying my Name
Raja Kumari
Daughter of the king
I bring the fire
Stay burning up the game
Can't look away
I ain't afraid
I'm only living for today
We ain't the same
Cuz I'm a winner winner
They take my picture
Every time I'm dripping
Saucy
There is no other can't replace me
Cuz I'm bossy

Don't what you do to me
Quit playing with fire babe
You know that we can't stay strangers
We risking it all for that danger
One touch
