

ON

Raja Kumari

Not everybody wanna go
When it's go time
So I pray for my foes
On the frontline
That my bow, never miss, when it's war time
Aage aage, when I'm finished I say ashe ashe
Send your soul, pay the toll for the boat ride
No one knows where we go only most high
So we do what we do for the bloodline
Aage aage, ain't nobody harder than kumari

Can't stop, won't stop, don't stop
Man I go the block hot
Phantom drop top
And I, and I, can't stop, won't stop, don't stop
Man I go the block hot (Block hot, block hot, block hot)

You can't tell me what to say
You can't come around my way
I can feel it in my bones
You can't tell me I'm not ON

Life is a bitch
I am that bitch
Fuck how you feel
I'm the real
I'm the glyph
I'm the Ra
I'm the sun
Eye of the slum, sound of the drum
Their feet when they run, run

Can't stop, won't stop, don't stop
Man I got the block hot
Phantom drop top
And I, And I, can't stop, won't stop, don't stop
Man I go the block hot (Block hot, block hot, block hot)

Singles bhi daloo tou maaroo eventually century
Aage hai hustle ye mentally
Inko toh chahiye bas sympathy, maut ki bajegi symphony
If they gon' mention me
Mujhse na bhidte hai enemies
Still got that pen on me, chahiye suggestion nahi!
Laata main energy, you ain't a friend of me
Dollar be dropping par ye koi recession nahi
Body me karoo har verse, ye baat ab hai
Rehta main chup toh ye meri sharafat hai (Haa)
Aake online ye karte whine
Par kar raha nahi daaru ki baat ab main (Baat ab main)
Meri toh baatein hi ghaatak hai
Inki milake bhi itni na taakat hai
I'm with the shits, might pull up to your show with sticks
Par ye na koi Falguni Pathak hai
Ye bante boss, par kiye hai dhandhe bandh ab boht
Kasam se god yahan dhan ke karte bande fraud
Phir chalte karke kandhe chaud

Khaa rahe the boht bhaav (Boht bhaav)
Now I'm the one they talk 'bout
Chadhe ye jhaadi par - kar rahe hai chabi par
I got the game on lock down (Lock down)

You can't tell me what to say
You can't come around my way
I can feel it in my bones
You can't tell me I'm not ON
You can't tell me I'm not ON
You can't tell me I'm not ON
You can't tell me I'm not ON
You can't tell me I'm not ON
