# Palm Trees

**Rak-Su**

T-T-T-Tebi got them
Good things (Rak-Su, Rak-Su)

Blowin' the breeze overseas like a palm tree
(Ooh-oh, ooh-oh, oh)
Sippin' a coconut cut from a palm tree
(Ooh-oh, ooh-oh, oh)
We can lay in the shade for a day by a palm tree
(Ooh-oh, ooh-oh, oh)
One day I pray you, I take to the palm trees
(Ooh-oh, ooh-oh, oh)

Summer days, sat upon your doorstep (Doorstep)
Tryna figure out where we could go next
We been in London and Brighton Beach
But I know you really wanna go and see a palm tree (Aight)
We don't have the funds for a flight right now (Nah)
But you and me can dream about sand in the town (Yeah)
'Cause one day, girl, we'll get the chance and then you'll know we'll go
You'll be standing in the bikini and just glow

Tonight (Ayy)
Mi ago give it to you twice (Me a go give it to you twice)
I wanna put you on a flight (I wanna put you on a flight)
I wanna see you livin' right (Uhh), livin' life (Uh yeah)

We spend so many days dreamin'
Wishin' for a condor we could sleep in
Sun, sea, sand in your palm B
I know how much you've always loved the palm tree

Blowin' the breeze overseas like a palm tree
(Ooh-oh, ooh-oh, oh)
Sippin' a coconut cut from a palm tree
(Ooh-oh, ooh-oh, oh)
We can lay in the shade for a day by a palm tree
(Ooh-oh, ooh-oh, oh)
One day I pray you, I take to the palm trees
(Ooh-oh, ooh-oh, oh, oh)

Choose what to see though, I'll meet you at Heathrow
Pick a destination, Maldives or Montego?
Bae, let's hit Hawaii, Abu Dhabi or Dubai
Let's listen to Phil Collins and be in the air tonight, huh
It was fate, not by mistake, she fell in love with the kid
Her shape is great, a burnin' flame, she burnin' bright like a wick
English, Cuban, Jamaican, she's so in love with the mix
So I took her to Jamaica, slapped some pat upon it
And now we rave on it at his soft top
I stole mi tan and yuh know that girl I love that
Watch me so you know me haffi watch back
WhatsApp her and mi gonna chat back
