Rak-Su

Touché

I'ma let you have your way  
You know you're bad and your boujee  
You know just what you do to, what you do to me

Yo

Hat's off to ya  
You fought a good fight and now you're [?]  
Loved you from the start, now I'm so onto ya  
Whisper in your ear, my feelings are so strong for ya  
But don't let lil mama see ya if you're feeling the same  
I can't hold you right now, so I'm feeling your pain

But who's to complain, you know I did the same  
Uh

I must say me know when it gets to my heart without you getting close (You're getting close)  
You're like my favourite song on the radio  
Ohh Ohh

Touché

I'ma let you have your way  
You know you're bad and your boujee  
You know just what you do to, what you do to me  
Touché  
No one makes my feel this way  
You know I want you down on me  
You know just what you do to, what you do to me

Ohh ohh  
You win, I lose  
You win, touché  
Ohh ohh  
You win, I lose  
You win, touché

Only wanna play games  
I see you feeling kinda cocky and you think you're gonna win  
No, you wanna play games  
See you feeling kinda cocky, I'm not letting you win  
It's what I said from the start  
Now you got my heart  
Pulling out my hair everytime that we're apart  
No games, new rules  
Said I wasn't gonna fool  
Feeling like a fool  
Touché, you're kinda cool

I must say me know when it gets to my heart without you getting close (You're getting close)  
You're like my favourite song on the radio  
Ohh Ohh

I'ma let you have your way  
You know you're bad and your boujee

You know just what you do to, what you do to me

You win, I lose  
You win, touché  
Ohh ohh  
You win, I lose  
You win, touché  
Ohh ohh  
You win, I lose  
You win, touché  
Ohh ohh  
You win, I lose
