

Yours Or Mine

Rak-Su

Hey, where you heading? Is it back to mine or yours?
Body lookin' flawless, pictured you up on my floor
(Shh) Have to keep it quiet when we talk
Plus I'm gonna have to try and sneak you through the door
But hope you don't mind though
I just wanna spend a little more time with you
Breakfast at Nine O
Clocked you from the moment when you stepped into the room

What you saying?
I wanna love you no matter the location
It doesn't have to be a difficult decision
'Cause I been seeing you out and
I wanna know more about you
So is it yours or mine?

I like the way you move in your waistline
The way you synchronize with the bassline
But now I got a question on my mind
Is it yours or mine?
'Cause I don't wanna waste time
Unless we're dancing a slow whine
Uber's gonna be here in five
So is it yours or mine?

Aight, cool, you're just a 10 minute drive
Will your flatmates talk if I pull up outside?
Fourth floor, we can walk, warm up, exercise
'Cause the game gon' begin when I get up inside (Woo)
So tell me, are you ready for me?
'Cause I just really wanna get to know you intimately
Got me coming 'round yours on a late night
If we fuh, your body affi take flight

What you saying?
I wanna love you no matter the location
It doesn't have to be a difficult decision
'Cause I been seeing you out and
I wanna know more about you
So is it yours or mine?

I like the way you move in your waistline
The way you synchronize with the bassline
But now I got a question on my mind
Is it yours or mine?
'Cause I don't wanna waste time
Unless we're dancing a slow whine
Uber's gonna be here in five
So is it yours or mine?

Yours or mine? I don't mind
Yours or mine? You decide
Yours or mine? Take your time
'Cause the game gon' begin when I get up, get up, ah
Yours or mine? I don't mind
Yours or mine? You decide
Yours or mine? Take your time

'Cause the game gon' begin when I get up, get up

What you saying?

I wanna love you no matter the location

It doesn't have to be a difficult decision

'Cause I been seeing you out and

I wanna know more about you

So is it yours or mine?

I like the way you move in your waistline

The way you synchronize with the bassline

But now I got a question on my mind

Is it yours or mine?

'Cause I don't wanna waste time

Unless we're dancing a slow whine

Uber's gonna be here in five

So is it yours or mine?
